A Tale of Two Continents

Andersen Tax made its debut in Africa in July 2017. Since then, the firm has rapidly grown into a formidable team of top global tax consultants and advisors across the African continent providing a wide range of tax, business advisory and legal services to individual and commercial clients.

Andersen Tax in Africa consists of professionals with many years of experience in taxation and transactional services both at local and international levels. Our global presence and association of professionals within Andersen Global guarantees our clients access to bespoke services. This we achieve through a pool of seasoned professionals providing domestic and international insights on all tax issues. Consequently, our deliverables are robust, capturing relevant industry and geographical considerations.

With presence in over 30 jurisdictions in Africa, we strongly believe that we are most suited to assist in achieving your objectives. We understand the strategic importance of your business needs and are committed to partnering with you through the delivery of quality professional services.

Our collective pursuit is to provide valuable support to you in our specialized areas of expertise which ultimately will be beneficial to your organization. We will be flexible to your resources and other requirements.

We look forward to being your trusted partner.

Andersen Tax and Andersen Tax & Legal are present in 19 countries and provide a comprehensive range of tax, legal, and business advisory European services to private clients and corporations.

The growth in the Region is a by-product of the outstanding client service delivered by our people. Our objective is not to be the biggest firm, but to provide consistent best-in-class services across Europe and the globe.

Each and every one of the professionals that make up our member firms and are a part of Andersen Global - not only in Europe - share our core values, common background and vision. They are selected based on quality, like-mindedness, and commitment to client service.

We believe in continual training to be able to provide the best advice in all aspects of taxation, tax law, finance and law. Our professionals' extensive experience covers all specialist areas and provides solid, in-depth knowledge of our clients' business from which we devise innovative solutions to match the ever-changing markets that they operate in.

The strong connection with Andersen Global's international association assures an effective presence in relevant markets and a direct insight to worldwide issues that allow us to better support our clients, both nationally and abroad.

Our Values

The Bridge Africa-Europe

Andersen Teams from the member and collaborating firms of Andersen Global in Africa and Europe have come together to create a unit that will enhance intercontinental trade between the two continents. The firms in the two continents have strength in supporting businesses in their set-up and operations in Africa and Europe.

Collaboratively, Andersen Global member firms will ensure that the conversation of branching out into a new continent will be operationalized effortlessly with the support of firms that have expert knowledge on the local regulatory environment of their new frontier.

Andersen firms in Africa and Europe will ensure the client receives seamless stress-free service, best-in-class advice and great attention to detail for a plug and play set-up in a new country from the initiation to eventual conclusion of a project or sustained operation of the business.

Our expertise and intercontinental link will carry out extensive research to match investors with investment opportunities in the host countries. Our teams will provide continued advisory services at every step of the set up process and support the growth of the organisation
